**ORDER GRANTING PRELIMINARY APPROVAL OF
CLASS ACTION SETTLEMENT**

Before the Court is Plaintiff Cindy Mench’s (“Plaintiff”) Unopposed Motion for Preliminary Approval of Class Action Settlement (ECF No. 17) (the “Motion”), the terms of which are set forth in a Settlement Agreement between Plaintiff and Defendant McCormick & Priore P.C., (“McCormick” or “Defendant”) (together with Plaintiff, the “Parties”), with accompanying exhibits attached as Exhibit 1 to Plaintiff’s Counsel’s Declaration in Support of her Motion (the “Settlement Agreement”) (ECF No. 19).¹

Having fully considered the issue, the Court hereby **GRANTS** the Motion and **ORDERS** as follows:

1. **Class Certification for Settlement Purposes Only.** The Settlement Agreement provides for a Settlement Class defined as follows:

“The persons who are identified on the Settlement Class List, which includes all individuals residing in the United States whose Personal Information was potentially compromised in the Data Incident discovered by Defendant in December 2024, including all those individuals who received notice of the Data Incident.”

¹ All defined terms in this Order Granting Preliminary Approval of Class Action Settlement (“Preliminary Approval Order”) have the same meaning as set forth in the Settlement Agreement, unless otherwise indicated.

Specifically excluded from the Settlement Class are:

(1) the judges presiding over this Action, and members of their direct families; (2) Defendant, its subsidiaries, parent companies, successors, predecessors, and any entity in which Defendant or its parents have a controlling interest; and (3) Settlement Class Members who submit a valid Request for Exclusion prior to the Opt-Out Deadline.

Pursuant to Federal Rules of Civil Procedure 23(e)(1), the Court finds that giving notice is justified. The Court finds that it will likely be able to approve the proposed Settlement as fair, reasonable, and adequate. The Court also finds that it will likely be able to certify the Settlement Class for purposes of judgment on the Settlement because it meets all of the requirements of Rule 23(a) and the requirements of Rule 23(b)(3). Specifically, the Court finds for settlement purposes that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members would be impracticable; (b) there are issues of law and fact that are common to the Settlement Class; (c) the claims of the Class Representative are typical of and arise from the same operative facts and the Class Representative seeks similar relief as the claims of the Settlement Class Members; (d) the Class Representative will fairly and adequately protect the interests of the Settlement Class as the Class Representative has no interests antagonistic to or in conflict with the Settlement Class and has retained experienced and competent counsel to prosecute this Action on behalf of the Settlement Class; (e) questions of law or fact common to Settlement Class Members predominate over any questions affecting only individual members; and (f) a class action and class settlement is superior to other methods available for a fair and efficient resolution of this Action.

2. **The Class Representatives and Class Counsel.** The Court finds that Plaintiff will likely satisfy the requirements of Rule 23(e)(2)(A) and should be appointed as the Class Representative. Additionally, the Court finds that Raina C. Borrelli of the law firm Strauss Borrelli PLLC will likely satisfy the requirements of Rule 23(e)(2)(A) and should be appointed as Class Counsel pursuant to Rule 23(g)(1).

3. **Preliminary Settlement Approval.** Upon preliminary review, the Court finds the Settlement is fair, reasonable, and adequate to warrant providing notice of the Settlement to the Settlement Class and accordingly is preliminarily approved. In making this determination, the Court has considered the monetary and non-monetary benefits provided to the Settlement Class through the Settlement, the specific risks faced by the Settlement Class in prevailing on their claims, the good faith, arms' length negotiations between the Parties and absence of any collusion in the Settlement, the effectiveness of the proposed method for distributing relief to the Settlement Class, the proposed manner of allocating benefits to Settlement Class Members, the Settlement treats the Settlement Class Members equitably, and all of the other factors required by Rule 23 and relevant case law.

4. **Jurisdiction.** The Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1332(d)(2) and personal jurisdiction over the parties before it. Additionally, venue is proper in this District pursuant to 28 U.S.C. § 1391(b).

5. **Final Approval Hearing.** A Final Approval Hearing shall be held on **August 18, 2026 at 10:00 A.M.** in **Courtroom 15A** of the United States Courthouse, 601 Market Street, Philadelphia, Pennsylvania 19106, where the Court will determine, among other things, whether: (a) this Action should be finally certified as a class action for settlement purposes pursuant to Fed. R. Civ. P. 23(a) and (b)(3); (b) the Settlement should be approved as fair, reasonable, and adequate, and finally approved pursuant to Fed. R. Civ. P. 23(e); (c) this Action should be dismissed with prejudice pursuant to the terms of the Settlement Agreement; (d) Settlement Class Members (who have not timely and validly excluded themselves from the Settlement) should be bound by the releases set forth in the Settlement Agreement; (e) the application of Class Counsel for Attorneys' Fee Award and Costs should be approved pursuant to Fed. R. Civ. P. 23(h); and (f) the application of the Class Representative for a Service Award should be approved.

6. **Claims Administrator.** The Court appoints RG2 as the Settlement Administrator, with responsibility for class notice and settlement administration. The Settlement Administrator is directed to perform all tasks the Settlement Agreement requires. The Settlement Administrator's fees will be paid pursuant to the terms of the Settlement Agreement.

7. **Notice.** The proposed Notice program set forth in the Settlement Agreement and the Notices and Claim Form attached to the Settlement Agreement as **Exhibits A, B, and C** are hereby approved. Non-material modifications to these Exhibits may be made by the Settlement Administrator in consultation and agreement with the Parties, but without further order of the Court.

8. **Findings Concerning Notice.** The Court finds that the proposed form, content, and method of giving Notice to the Settlement Class as described in the Notice program and the Settlement Agreement and its exhibits: (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated, under the circumstances, to apprise Settlement Class Members of the pendency of the Action, the terms of the proposed Settlement, and their rights under the proposed Settlement, including, but not limited to, their rights to object to or exclude themselves from the proposed Settlement and other rights under the terms of the Settlement Agreement; (c) are reasonable and constitute due, adequate, and sufficient notice to all Settlement Class Members and other persons entitled to receive notice; (d) meet all applicable requirements of law, including Federal Rule of Civil Procedure 23(c); and (e) and meet the requirements of the Due Process Clause(s) of the United States and Pennsylvania Constitutions. The Court further finds that the Notice provided for in the Settlement Agreement is written in plain

language, uses simple terminology, and is designed to be readily understandable by Settlement Class Members.

The Settlement Administrator is directed to carry out the Notice program in conformance with the Settlement Agreement.

9. **Class Action Fairness Act Notice**. Within ten (10) days after the filing of this Settlement Agreement with the Court, the Settlement Administrator acting on behalf of Defendant shall have served or caused to be served a notice of the proposed Settlement on appropriate officials in accordance with the requirements under the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715(b).

11. **Objections and Appearances.** A Settlement Class Member (who does not submit a timely written request for exclusion) desiring to object to the Settlement Agreement may submit a timely written notice of his or her objection by the Objection Date and as stated in the Notice. The Long Notice shall instruct Settlement Class Members who wish to object to the Settlement Agreement to file their objections with the Court and with copies mailed or hand-delivered to Class Counsel and Defendant's counsel. The Notice shall advise Settlement Class Members of the deadline for submission of any objections—the "Objection Deadline." Any such notices of an intent to object to the Settlement Agreement must be written and must include all of the following: (i) the name of the proceedings; (ii) the Settlement Class Member's full name, current mailing address, and telephone number; (iii) a statement that states with specificity the grounds for the objection, as well as any documents supporting the objection; (iv) a statement as to whether the objection applies only to the objector, to a specific subset of the class, or to the entire class; (v) the identity of any attorneys representing the objector; (vi) a statement regarding whether the Settlement Class Member (or his/her attorney) intends to appear at the Final Approval Hearing; (vii) a list of all other matters in which the objecting Settlement Class Member and/or his/her attorney has lodged an objection to a class action settlement; and (viii) the signature (or electronic equivalent) of the Settlement Class Member or the Settlement Class Member's attorney.
